

USB 2.0 Fast Ethernet Adapter

10/100 Mbps Fast Ethernet, Hi-Speed USB 2.0

Part No.: [506731](#)

EAN-13: 0766623506731 | UPC: 766623506731

The Manhattan USB 2.0 Fast Ethernet Adapter is a compact, high-performance network adapter that allows you to upgrade your desktop or notebook computer to operate at 10/100 Mbps speeds on the LAN. Because it attaches to one of your computer's USB connectors, there is no need to open up your PC — and the user-friendly setup software makes installation quick and easy.

Faster Throughput

The USB 2.0 Fast Ethernet Adapter allows you to connect to the network at 100 Mbps Fast Ethernet throughput speeds. Other adapters that only support USB 1.1 can not even come close to providing you with this enhanced performance.

Auto-Negotiation

The USB 2.0 Fast Ethernet Adapter will automatically detect the network speed that the LAN switch port is set to and run at the same speed. The adapter supports 10Base-T Ethernet and 100Base-TX Fast Ethernet.

Full Duplex

When running in full duplex mode, the USB 2.0 Fast Ethernet Adapter connects at the following link speeds: 20 Mbps (10Base-T Ethernet) and 200 Mbps (100Base-TX Fast Ethernet).

Portable Design

The USB 2.0 Fast Ethernet Adapter is compact, and can be easily moved from one computer to another or transferred in your notebook case as you travel. It doesn't take up a lot of space, and doesn't add clutter to your workspace.

Features:

- 10 times faster than USB 1.1 to Fast Ethernet adapters
- Add a network connection without opening up your PC
- Perfect for both desktop and notebook computers
- Plug and Play installation
- Hot-swappable (no need to power down)
- Full duplex with auto-speed detection
- Supports the most popular operating systems: Windows XP, Vista and Windows 7/8/10/11
- Compatible with macOS® 10 and 11 Big Sur
- Supports Preboot Execution Environment (PXE)
- Low power consumption via a USB bus
- Three-Year Warranty

Specifications:

Standards

- USB Specification version 2.0
- USB Specification version 1.1
- USB Specification version 1.0
- IEEE 802.3 (10Base-T Ethernet)
- IEEE 802.3u (100Base-TX Fast Ethernet)

General

- USB type-A connector
- RJ45 connector
- Certifications: FCC Class B, CE, RoHS

LEDs

- Link
- 10/100 Mbps

Power

- USB bus-powered
- Operating mode: 185 mA
- Suspend mode : 23 mA
