

Digital Video Adapter

DVI-I Dual Link Male to VGA Female

Part No.: **328883**

EAN-13: 0766623328883 | UPC: 766623328883

Superior connections for quality video performance

The Manhattan Digital Video Adapter helps deliver the brightest, most accurate colors and sharpest detail when connecting VGA video sources to DVI-D displays. MANHATTAN Digital Video Adapters are engineered and constructed of quality materials to deliver dependable transmissions in analog video applications. Full shielding, protective PVC jacket and nickel-plated connections help provide maximum conductivity and clear, crisp signal transmissions with reduced EMI interference and distortion.

Features:

- DVI-I male to HD15 female
- Fully shielded — ideal for all monitor sizes and types
- Compatible with DVI-I and DVI-D interfaces
- Lifetime Warranty
