

GIGATRON WP-1UC65U Box

Product Overview

The **GIGATRON WP-1UC65U** is a **recessed USB charging and data interface hub** designed for integration into office desks, conference tables, or other furniture. It aims to provide a tidy, efficient desktop solution by seamlessly integrating power and data ports beneath the surface, supporting both fast charging and USB 3.0 data transfer.

Technical Specifications

Feature	Specification
Brand	GIGATRON
Product Model	WP-1UC65U
Panel Type	Recessed (flush mount), requires cutting a hole for installation
Power Cord	1.5 meter of 1mm2 power cord
USB-C Charge Output	65W Power Delivery (PD) fast charging (inferred voltage/current combinations: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A)
USB-A Charge Output	18 Max (inferred to support QC3.0 or similar fast charging protocols)
USB-A (Data) Port	USB 3.0 data transfer (blue insert, up to 5Gbps speed)
Applications	Audio cable installation, recording studios, stages, conference rooms, home theaters
Panel Material	Alloy face plate, ABS bottom box
Color	Black/white
Panel Dimensions (L x W x H)	155 x 80 x 50mm

Feature	Specification
Hole Dimensions (L x W)	119 x 70mm(R2)
Accessory	Mounting screws included
Durability	Robust and durable, professional appearance

Product Features

- **PD 65W Fast Charging:** The USB-C port supports Power Delivery 3.0 (PD) and PPS technology, enabling rapid charging for compatible laptops, tablets, and smartphones (65W charging is available when using the USB-C port only).
- **PD USBA 18W Fast charging:** An 18W charger can charge a compatible smartphone from 0% to around 50% capacity in approximately 30 minutes, which is up to 3 times faster than a standard 5W charger.
- **Integrated USB 3.0 Data:** Includes a dedicated USB 3.0 port for high-speed data synchronization and peripheral connection, such as external drives or keyboards.
- **Durable & Discreet Design:** Constructed with an alloy finish for durability and a minimalist, flush-mount design that keeps the surface tidy by eliminating bulky adapters.
- **Easy Installation:** Designed to fit into 119 x 70mm(R2) holes for a simple, tool-free drop-in installation with a secure locking ring.

Package Contents

- (1) GIGATRON WP-1UC65U box
- (2) (2) Mounting screws (2 pcs)
